

DREAM BIG

I have plans for my life.
And I'm planning the long game.
Following my own path.
Drugs aren't a part
of the picture.

be

under your
own influence.

HAPPINESS

We speak our own language.
100% who we are.
Whacky, loving, goofy, friendly.
And totally drug free.
That's what happiness looks like.

be

under your
own influence.

HAPPINESS

Dogs just get it.
Play hard. Love unconditionally.
Always be yourself.
No drugs needed.
That's true happiness.

be

under your
own influence.

FOCUSED

My eye is on the ball.
I know how to be on my game.
I know what I'm capable of.
And I have the discipline
it takes to succeed.
Drugs won't get me there.

BORN THIS WAY

Always on my own path.
Marching to my own beat.
No apologies. Just me.
And 100% drug free.

I'M NOT GETTING STUCK

I've got places to go.
Things to do. Fun to have.
Drugs? Nope. Not me.
I don't go there.

PLANNING OUR ESCAPE

'Cause we're going places.
Drugs? Are you kidding?
We just need a little more
horsepower.

TIGHTER THAN TIGHT

Always have his back.
And he has mine.
Generations of love.
We're family strong.
Tighter than tight.
No room for drugs between us.

FOREVER FRIENDS

Always keeping it real.
Nothing comes between us.
Especially not drugs.
